

PRESENTATIONS IN NATIONAL AND INTERNATIONAL CONFERENCES

1. Shafipour, A., Zade-Hashem, E., Moradi, M., Esmaillo, Y. (2017). Application cell free supernatant of Lactic acid bacteria for prevention of oxidative stress induced by additive. 3^{ed} National congress of Veterinary Basic Science. Tehran. [Iran](#). **(Poster presentation)**.
2. Lotfi, M., Tajik, H., Moradi, M., Forough, M., Divsalar, E. (2017). Antibacterial activity and microscopic properties of chitosan-cellulose bilayer film containing monolaurin. 18th international Iranian congress of Microbiology. Tehran. [Iran](#). **(Poster presentation)**.
3. Divsalar, E., Tajik, H., Moradi, M., Forough, M., Lotfi, M. (2017). Antimicrobial effectiveness of bilayer nanocomposite cellulose-chitosan films containing nisin against *Listeria monocytogenes* in vitro. 18th international Iranian congress of Microbiology. Tehran. [Iran](#). **(Poster presentation)**.
4. Shafipour, A., Moradi, M., Tajik, H., Ebrahimi, F., Divsalar, E. (2017). Antibacterial activity of cell-free supernatant of *Lactobacillus* species and silver nanoparticles against *Salmonella Typhimurium* and *Listeria monocytogenes* in vitro. 18th international Iranian congress of Microbiology. Tehran. [Iran](#). **(Poster presentation)**.
5. Shafipour, A., Moradi, M., Tajik, H., Khodadadi, A. (2017). Antibiotic resistance pattern of *Salmonella* spp. and *Escherichia coli* serovars isolated from shellfishes in West-Azerbaijan provenance. 18th international Iranian congress of Microbiology. Tehran. [Iran](#). **(Poster presentation)**.
6. Shirdel, M., Tajik, H., Moradi, M., Boryabaf, L.S. (2017). Antimicrobial activity of *Zataria multiflora* essential oil with silver nanoparticle in combination on *Salmonella Typhimurium*. 1th National Congress on Food Safety and Hygiene. Shiraz. [Iran](#). **(Oral presentation)**.
7. Divsalar, E., Tajik, H., Moradi, M., Forough, M. (2017). Preparation and antimicrobial activity of nanocomposite chitosan- cellulose film. 1th National Congress on Food Safety and Hygiene. Shiraz. [Iran](#). **(Poster presentation)**.
8. Boryabaf, L.S., Moradi, M., Tajik, H., Shirdel, M. (2017). Antibacterial and biofilm removal potential of silver nanoparticles loaded agar hydrogel on *Salmonella Typhimurium*. 1th National Congress on Food Safety and Hygiene. Shiraz. [Iran](#). **(Poster presentation)**.
9. Boryabaf, L.S., Moradi, M., Tajik, H., Shirdel, M., Heydarian, N. (2016). Antibacterial and antibiofilm characteristics of silver nanoparticles loaded agar hydrogel against *Staphylococcus aureus*. The 17th International and Iranian congress of Microbiology. Tehran, [Iran](#). **(Poster presentation)**.
10. Shirdel, M., Tajik, H., Moradi, M. (2016). Sanitizing and antibiofilm properties of *Zataria multiflora* essential oil against *Staphylococcus aureus*. The 17th International and Iranian congress of Microbiology. Tehran, [Iran](#). **(Poster presentation)**.
11. Heydarian, N., Tajik, H., Moradi, M. (2016). Antibacterial effect of eugenol and silver nanoparticles and their interaction with food components. The 17th International and Iranian congress of Microbiology. Tehran, [Iran](#). **(Poster presentation)**.
12. Shahabi, N., Tajik, H., Moradi, M., Forough, M. (2016). Antibacterial properties of *Zataria multiflora* boiss. essential oil nanoemulsion formed by emulsion phase inversion. 3th International congress of veterinary Pharmacology & Pharmaceutical Sciences. Shahrekord. [Iran](#) **(Oral presentation)**.
13. Tavassoli, M., Sydi,SH., Moradi, M., Besharati, V.R., Samiee, KH. (2016). Effects of *Zataria multiflora* Boiss. essential oil and nanoemulsion on *Argas persicus* (poultry mite) in vitro conditions. The 3th Congress of *Biological control in Agriculture and Natural Resources*. Mashhad. [Iran](#). **(Poster presentation)**.
14. Mohamadi, R., Tajik, H., Moradi, M., Ghasemmahdi, H. (2016). Effect of growth temperature and biofilm age on the resistance of *Salmonella Typhimurium* biofilms to bacteriophage in chicken model. 5th *International Veterinary poultry Congress*. Tehran. [Iran](#). **(Poster presentation)**.
15. Badali, A., Tajik, H., Moradi, M. (2015). Anti-biofilm activity of *Zataria multiflora* Boiss. essential oil against MDR isolate of *Salmonella enterica* serotype Typhimurium. *The 3th Grand Conference of Food Science and Technology*. Esfahan. [Iran](#). **(Poster presentation)**.
16. Masomi, V.A., Tajik, H., Moradi, M. (2015). Antimicrobial effects of *Zataria multiflora* Boiss. essential oil nanoemulsion against *Escherichia coli* O157:H7. *The 3th Iranian Congress of Medical Microbiology*. [Tehran, Iran](#). **(Poster presentation)**.

17. Shahabi, N., Tajik, H., Moradi, M. (2015). Stability and anti-biofilm effects of Zataria multiflora Boiss. essential oil nanoemulsion. *The 3th Iranian Congress of Medical Microbiology*. Tehran, [Iran](#). **(Poster presentation)**.
18. Moradi, M. (2015). Mycotoxin detoxification ability of Lactic Acid Bacteria; a bio-approach. 13th Iranian *International of Congress of Toxicology*. Urmia, [Iran](#) **(Oral presentation)**.
19. Khoramnia, M., Moradi, M., Khoramnia, R., Hasanzadeh, M. (2015). Application of FT Raman spectroscopy and chemometric analysis for determination of melamin in milk powder. 2nd national congress of milk safety from production to consumption and its role in human nutrition. Tehran, [Iran](#) (Poster presentation).
20. Moradi, M., Mohamadi, S. (2013). Food safety and its impact on tourism. *National Food Safety Specialists Congress*. Tehran, [Iran](#). **(Poster presentation)**.
21. Moradi, M., Tajik, H., Roshani, R., Rezaie, R., Nagili, H., Ghasemmahdi, H., Badali, A. (2013). Novel biofilm control methods in food. *National Food Safety Specialists Congress*. Tehran, [Iran](#). **(Poster presentation)**.
22. Ghasemmahdi, H., Tajik, H., Moradi, M., Badali, A. Nagili, H., Aliyari, A. (2013). Sanitizing activity of Zataria multiflora Boiss. essential oil against Listeria monocytogenes biofilm. *National Food Safety Specialists Congress*. Tehran, [Iran](#). **(Poster presentation)**.
23. Moradi, M., Tajik, H., Razavi Rohani., Ghasemmahdi, Hadi. (2013). Application of antimicrobial chitosan film containing Zataria multiflora Boiss essential oil and grape seed extract on Martadella sausage. 21st *National Congress of Food Science and Technology*. Shiraz, [Iran](#) **(Oral presentation)**.
24. Moradi, M., Shafiq, Z., Abdollahpour, F. (2013). New development of sanitation monitoring of food plant. 21st *National Congress of Food Science and Technology*. Shiraz, [Iran](#) **(Poster presentation)**.
25. Totonchi, P., Hesari, J., Moradi, M. (2013). Production of probiotic organic red grape juice by Lactobacillus casei 431. 21st *National Congress of Food Science and Technology*. Shiraz, [Iran](#) **(Poster presentation)**.
26. Moradi, M. Babazadeh, F., Hosseinian, P. (2013). Surveillance and monitoring systems of food borne diseases. *National Food Safety Specialists Congress*. Tehran, [Iran](#). **(Poster presentation)**.
27. Khosravi-Darani, K., Ghasemi, S., Haji Seyed Javadi N., Moradi, M. (2012). Investigation on development of zein antimicrobial edible film and essential oil of Zatariamultiflora boiss on some food born pathogens. *International Conference on Global Trends in Pure & Applied Chemical Sciences*. Udaipur, [India](#). **(Poster presentation)**.
28. Moradi, M., Tajik, H., Razavi Rohani. (2012). Characterization of chitosan films enriched with hydrophilic grape seed extract. 1st *National Congress of Industry and Food Hygiene with Animal Origin*. Qom, [Iran](#) **(Poster presentation)**.
29. Moradi, M., Tajik, H. (2012). Application of Chitosan biopolymer as new food additive for improving shelf-life of food. 1st *National Congress of Industry and Food Hygiene with Animal Origin*. Qom, [Iran](#) **(Oral presentation)**.
30. Moradi, M., Tajik, H., Razavi Rohani, S.M., Farhangfar, A. (2011). Development of antioxidant zein edible film incorporated with zatariamultiflora boiss essential oil and monolaurin. 20th *National Food Science & Industries Congress*. Tehran, [Iran](#) **(Oral presentation)**.
31. Ghasemi, S., Khosravi Darani, K., Haji Seyed Javadi, N., Moradi, M. Oromiehie, A., & Esmaeili, S. (2011). Investigation on development of zein antimicrobial edible film and Zataria multiflora Boiss essential oil on Sallmonella enteritidis, Listeria monocytogenes, Escherichia coli and Staphylococcus aureus. 59th *International Congress and Annual Meeting of the Society for Medicinal Plant and Natural Product Research*. [Antalya, Turkey](#) **(Poster presentation)**.
32. Moradi, M., Tajik, H., Razavi Rohani, S.M., Oromiehie, A., & Malekinejad, H. (2011). Characterization of environmentally friendly chitosan films incorporated with biologically active plant compounds. 1st *International Food Congress*. Izmir, [Turkey](#) **(Poster presentation)**.
33. Moradi, M., Tajik, H., Razavi Rohani, S.M., Ghasemmahdi, H. & Orouzadeh, R. (2011). Chitosan; A versatile material with different diverse application for food preservation. 1st *International Food Congress*. Izmir, [Turkey](#) **(Poster presentation)**.
34. Tajik, H., Razavi Rohani, S.M., Moradi, M., Ghasemmahdi, H. Shamel, F., & Falahi, V. (2011) Antimicrobial properties of zein film containing Zataria multiflora Boiss essential oil and monolaurin against Listeria monocytogenes and E. coli O157: H7. 1st *International Food Congress*. Izmir, [Turkey](#) **(Poster presentation)**.

35. Moradi, M., Tajik, H., & Razavi Rohani, S.M. (2011). Antimicrobial-antioxidant ingredients and functional application in edible films and coatings. *2nd International Congress of Food Hygiene*. Tehran, **Iran (Poster presentation)**.
36. Moradi, M., Tajik, H., Shadlu, S., Razavi Rohani, S.M., & Aliakbarlu, J. (2011). Comparative evaluation of vapour-phase and disk covering methods for antibacterial properties measurement of essential oil in three different species of Lamiaceae family. *2nd International Congress of Food Hygiene*. Tehran, **Iran (Poster presentation)**.
37. Farhangfar, A., Tajik, H., Razavi Rohani, S.M., Moradi, M., Mounesi-Rad, T. Nadali, R. (2011). Influence of the clove essential oil and grape seed extract on the growth/survival of *Listeria monocytogenes* in raw buffalo patties. *2nd International Congress of Food Hygiene*. Tehran, **Iran (Poster presentation)**.
38. Tajik, H., Razavi Rohani, S.M., Mounesi-Rad, T. Moradi, M., Farhangfar, A. (2011). Effect of *Zataria multiflora* Boiss essential oil and grape seed extract on spoilage pattern of ground buffalo patties at improper refrigeration temperature. *2nd International Congress of Food Hygiene*. Tehran, **Iran (Poster presentation)**.
39. Tajik, H., Naghili, H., Raiesi, M., Hashemi, M., Moradi, M., Aliakbarlu, J., & Shahbazi, Y. (2011). Investigation of antibacterial activity of monocaprin against *Listeria monocytogenes* and *E.coli* O157:H7. *2nd International Congress of Food Hygiene*. Tehran, **Iran (Poster presentation)**.
40. Aliakbarlu, J., Razavi Rohani, S.M., Alizadeh, M., & Moradi, M. (2010). Reduction of biogenic amines in Iranian white cheese. **19th National Congress of Food Science**, Tehran, Iran **(Poster presentation)**.
41. Farhangfar, A., Tajik, H., Razavi Rohani, S.M. Moradi, M. Mounesi Rad- T., & Aliakbarlu, J., (2010). Combined effect of clove essential oil and grape seed extract on spoilage pattern of mince meat of buffalo. **19th National Congress of Food Science**, Tehran, **Iran (Poster presentation)**.
42. Aliakbarlu, J., Razavi Rohani, S.M., Alizadeh, M., & Moradi, M. (2010). Study on process factor and their effects on proteolysis and lipolysis in Iranian white cheese. **19th National Congress of Food Science**, Tehran, **Iran (Poster presentation)**.
43. Tajik, H., Alabaf-Yoosofi, F., Moradi, M., & Oromiehie, A., (2010). Effects of edible zein and chitosan coating assimilated by oregano essential oil on quality indexes of hen egg. **1st International Congress of Food Technology**. Antalya, **Turkey (Poster presentation)**.
44. Moradi, M., Tajik, H., Razavi Rohani, S.M., Saei Dehkordi, S.S & Ourozadeh, R. (2010). The prominence of Active Packaging in Food Science. **The First National Conference on Consumption Pattern Reforms In Agriculture, Natural Resources And Veterinary Medicine**. Zabol, **Iran (Oral presentation)**.
45. Tavassoli, M., Imani, A., Tajik, H., Moradi, M., & Pourseyed, S.H. (2010). Inhibitory effects of chitosan on *Trichomonas gallinae* in vitro. **2nd International Veterinary Poultry Congress**. Tehran, **Iran (Poster presentation)**.
46. Saei Dehkordi, S.S., Tajik, H., Razavi Rohani, S.M., Moradi, M., & Mehdizadeh, T. (2009). Chemical constituents and antibacterial activity of ginger (*Zingiber officinale* Rosc.) essential oil in combination with heat-denatured lysozyme at different pH values and NaCl concentrations against *Salmonella enteritidis* ATCC13076. **1st International Congress of Food Hygiene**. Tehran, **Iran (Oral presentation)**.
47. Razavi Rohani, S.M., Mehdizadeh, T., Moradi, M., & Saei Dehkordi, S.S. (2009). Antibacterial effects of combination of nisin and essential oil of garlic and onion on *L. monocytogenes* under different temperature, NaCl and pH values. **1st International Congress of Food Hygiene**. Tehran, **Iran (Poster presentation)**.
48. Moradi, M., Tajik, H., Razavi Rohani, S.M., & Erfani, A.M. (2008). Study on the production and comparison of physico-chemical characteristics of chitosan biomolecule from *Artemia* cyst shells. **1st Congress of Seafood Technology**. Izmir, **Turkey (Oral presentation)**.
49. Moradi, M., Tajik, H., & Thomas, R. (2008). Novel application of chitosan and its derivatives in seafood products. **1st Congress of Seafood Technology**. Izmir, **Turkey (Poster presentation)**.
50. Moradi, M., Nazari, A., Aminian, M., & Madani, R. (2005). Isolation of Neuraminidase from H₉N₂ subtype of avian influenza virus and preparation of Neuraminidase specific Antiserum. **14th World Veterinary Poultry Congress**. O10-24. Istanbul, **Turkey (Oral presentation)**.
